

## **For Immediate Release**

### **Fast Facts on Tebay Services New Café at Southbound**

- Award winning Tebay Services, has received national recognition for its individuality, the quality of its food using the finest local ingredients and its Farm Shops.
- The team at Tebay have been challenging the concept of what motorway travellers should expect when they break their journey through the design of its new Café at Tebay Services Southbound Café
- The external rustic feel to the exterior of Tebay Services southbound has been sensitively designed to complement the surrounding fells, the interior has been redesigned to maximise the use of natural light and has adopted an uplifting contemporary design.
- Customers can now see the Chefs at work preparing delicious dishes, many of which are Cumbrian specialities and all using the freshest ingredients.
- All the lamb and beef used in the Cafe, comes from The Dunning's farm which adjoins the Service area. Specialities include succulent daily roasts, handmade Galloway Burgers and farmhouse breakfast with Cumberland sausage.
- In the new stone baked oven customers can see bread being freshly baked and a new children's healthy food counter, has been specially designed to be at a lower level so they can select their own food. There is even organic baby food.
- A new deli counter includes healthy salads with homemade dressings, delicious quiches and homemade Cumbrian pies and chunky sandwiches. The cakes are freshly baked daily by our in house bakers.
- The new Coffee bar supports ethical trading by serving Fairtrade tea, coffee and locally pressed apple juice and freshly squeezed orange juice as well as fresh fruit smoothies and speciality teas such as Gunpowder green tea.
- Tebay Services continues to use recipes from local families who work in the Café and Farm Shop, many of which have been passed down through generations

- A Made To Go outlet offers speedy service for our customers in a rush where they can choose from delicious sandwiches, salads, soups and desserts, all made by us
- On sunny days there is an Outdoor eating area complete with BBQ serving homemade Galloway beef burgers, Cumberland sausage, local field mushrooms with Mozzarella, and locally made ice cream.
- Tebay Services also has a free cash point machine, dedicated dog walk signed from the services, a chance to feed the ducks, Tebay Tots activity sheets and of course far reaching views over the Cumbrian Fells.
